

Therapist Position

Nashville Child and Family Wellness Center is seeking a full or part-time therapist who is interested in seeing a broad range of ages and presenting problems. Experience working with anxiety, depression, bipolar disorders, OCD, disordered eating, emotionally and behaviorally dysregulated populations, those with ADHD, and/or other common disorders is preferred. We take a strong systems-based approach to care such that candidates need to have a similar orientation.

Fully licensed candidates must be licensed in Tennessee by date of hire or be license-eligible. Preference will be given to those with at least one year of experience implementing evidence-based interventions and those with experience conducting diagnostic assessments and developing treatment plans.

Pre-licensed candidates must have completed a master's degree in Counseling, Marriage & Family Therapy, Social Work or a PhD or PsyD in Psychology. Licensure supervision will be provided.

Primary responsibilities will include conducting intake assessments, developing treatment plans, implementing evidence-based therapy, maintaining documentation, and participating in multi-disciplinary team meetings. Opportunities exist to be trained or certified in any of our specialty program areas (DBT, RO-DBT, PCIT, and Eating Disorders).

Benefits:

- Competitive salary
- Year-end bonus based on net income
- Generous paid time off (PTO)
- Medical, dental, vision benefits
- 401k retirement benefit with matching
- Opportunity to do a blend of in person and virtual work
- Opportunity for ongoing training, certifications, and additional supervision
- Annual stipend and additional PTO for continuing education
- Regular peer supervision meetings
- Administrative support
- Relocation assistance available for qualified candidates.
